more on network automation

A little over my head, but I could follow.

Awesome and unique perspective. Good to hear about.

Was a lot on syntax, was looking more for a cookbook

...took an otherwise boring but important topic and found a way to make it interesting

Way out there crazy ideas, but cool to understand

Cool to see people working on new ideas and presenting the results

Meet us in Atlanta, GA for NANOG 72!

This is the fifth time NANOG is being held in Atlanta. We will be gathering at the Loews Atlanta Hotel.

Atlanta is the capital of Georgia, and boasts the third largest concentration of Fortune 500 companies, as well as being #3 city with highest STEM employment growth in the nation. Metro Atlanta is a hub for technology design, implementation and innovation.

NANOG 72 takes place February 19-21, 2019, and will offer a great opportunity to network with colleagues, freshen-up skills, learn advanced networking techniques, and discover new network applications. NANOG 72 host sponsor is CyrusOne.
