Organizational Demographics

MEMBERSHIP

Many minds are better than one

- The collective expertise of our members helps direct + shape NANOG in service of its mission.
- Members directly support mission-critical initiatives such as educational outreach, and NANOG's platform, content, and programming to empower our community, and inspire change.

Your expertise matters, and your voice is always heard

- Members enjoy the same access to our meetings and events, programs, tools, and resources as our entire community.
- They also play a role in shaping the future of the organization itself, as well as the program.
- Members can also run for office, and serve on NANOG's Board of Directors and administrative committees.

Additional perks membership

- Receive a discount on NANOG meeting + event registration.
- Enjoy members-only registration onsite.

OUTREACH PROGRAM

Educational Outreach

Mission-critical initiatives that educate, empower, and inspire.

Technology as multifaceted as you are

- We believe our industry should reflect the diversity of the world we live in.
- We work with universities, affiliate NOGs, and tech communities in North America who lack access to NANOG's educational tools, resources, and programming.
- We're dedicated to the education and empowerment of students, women, and people of color.
